Dear Brothers, Sisters and Friends

On behalf of the 54 CUPE locals and 10 other unions that represent over 33,000 education support staff in the K-12 sector in British Columbia, the K-12 Presidents Council stands in solidarity with your struggle for decent wages and better working conditions in the Alberta public schools.

As school support workers, we know your members play a vital role in delivering public education, helping students succeed, and supporting Alberta families. We know school support staff are some of the lowest paid in the public sector. Like you, many of our members work second and third jobs to make ends meet.

You deserve a fair wage and good working conditions that allow you to support students effectively. Please know that school workers across B.C. share your concerns, share your struggle, and stand with you as you walk the picket line. **B.C. has your back!**

In solidarity,

Paul Simpson
President

On behalf of the B.C. K-12 Presidents Council and 33,000 B.C. K-12 workers.
